Property Description

Situated in the scenic hills of Santa Elena in Pérez Zeledón, this attractive property offers 3,514 m² of land with approximately 80% usable terrain, providing an excellent opportunity to build a home in one of the most desirable areas of Costa Rica's southern region. The property combines natural beauty, peaceful surroundings, and convenient access to essential services, making it an ideal location for those seeking a balanced lifestyle close to nature. Electricity, water, and fiber-optic internet are available at the property, allowing for comfortable modern living while enjoying the tranquility of the countryside. The land enjoys a beautiful view toward the impressive Chirripó mountain range, creating a stunning natural backdrop and a constant reminder of the region's extraordinary landscapes. A picturesque creek runs along the boundary of the property and carries fresh water year-round, adding to the charm of the land and enhancing the natural environment.
