Atenas, Alajuela

\$348,000

ID:

- Property Type: Land
- Size: 9954 Square metres
- 2.46 Acres

- Status: Available

Property Description

Beautiful 9,954 m² (2.46 acres) residential lot for sale in Atenas, Costa Rica, located in the desirable El Santuario community, only 4 minutes from downtown Atenas. This scenic property features a combination of open pasture, mature trees, and forest, with a natural river boundary creating a peaceful environment surrounded by nature. The land offers beautiful mountain views and views of Poás Volcano, along with abundant wildlife including monkeys and tropical birds. Ideal for building a private home with a pool, terrace, and tropical gardens, the property provides privacy while remaining close to restaurants, shops, and services in Atenas. A rare opportunity to own a nature property in one of Costa Rica's best climate locations. Lot Size: 9,954 m² | 0.995 hectares | 2.46 acres Location: El Santuario, Atenas Distance to Town: 4 minutes
