Property Description

The Views Estate Set in the highlands of San José de la Montaña in Heredia, The Views is a private mountain estate that captures the essence of refined countryside living in Costa Rica's Central Valley. Positioned on approximately 28,255 square meters of land, this property offers a rare combination of expansive usable grounds, mature forest, and panoramic views that extend across the city lights of the Central Valley and the surrounding mountains. Designed in the style of a mountain home with contemporary enhancements, the house comes fully furnished and ready to move in. It offers a total living area of 492 square meters, blending warmth, scale, and functionality across its different structures. Wood-clad walls, double-height ceilings, and a wood-burning fireplace create an inviting atmosphere that reflects the character of traditional mountain homes in Costa Rica, while modern updates ensure comfort for full-time living or weekend retreats.
