Property Description

The property features a modern two-story architectural design that combines clean lines, functionality, and comfortable living spaces. The layout was thoughtfully designed to maximize natural light, cross ventilation, and open interior spaces, creating a bright and welcoming atmosphere throughout the home. Situated on a 633 m² lot, the property provides generous outdoor space with green areas and fruit trees, offering a natural setting that allows homeowners to enjoy outdoor living while maintaining privacy. The spacious lot also offers potential for future additions such as a swimming pool, landscaped garden, or outdoor entertainment area, increasing the property's long-term value. The interior layout includes 2 bedrooms, 2 full bathrooms, a living room, kitchen, dining area, and laundry room, distributed across two levels. This design creates a practical separation between the social areas and private living spaces, providing comfort and privacy for residents.
