

Land For Sale

📍 Turrialba, Cartago

\$61,688

ID:

- Property Type: Land
- Size: 1000 Square metres

- Status: Available

Property Description

Located in Santa Cruz de Turrialba, this 1,000 m²; residential lot offers an excellent combination of nature, tranquility, and investment potential. Surrounded by lush flora and fauna, it is ideal for those looking to build in a privileged natural environment without being too far from the city, as it is only 20 minutes from downtown Turrialba. The property features flexible land use, allowing construction on a high percentage of the lot and offering multiple possibilities to develop a permanent residence, vacation home, or small-scale investment project. Additionally, it has immediate water availability, an important advantage for starting any development efficiently. Thanks to its strategic location, the property is close to schools, restaurants, and local tourist attractions, increasing its long-term value and investment potential. A great opportunity in Turrialba, Costa Rica, for those looking to invest, build, or secure a peaceful space surrounded by nature.
