Property Description

Located in the highly desirable La Paco community of San Rafael de Escazú, this refined single level residence offers an exceptional balance of comfort, architectural clarity, and expansive views across the Central Valley. Opportunities in this location are increasingly limited, particularly for homes that combine privacy, light, and walkable convenience within one of Escazú's most established neighborhoods. Thoughtfully designed for effortless living, the apartment is defined by its generous proportions and abundant natural light, positioning it as a standout opportunity among Homes for sale in costa rica. Floor to ceiling windows frame panoramic valley vistas while illuminating the open concept living and dining areas, creating a seamless connection between interior elegance and the surrounding landscape. Clean contemporary lines are complemented by warm finishes, resulting in a sophisticated yet inviting atmosphere.
