Property Description

This is your life. Howler monkeys calling through the canopy. Scarlet macaws gliding overhead in the golden morning light. Horses nickering softly in the pasture. Gentle breezes drifting through your tropical garden. Costa Rican coffee steaming in hand as you pad barefoot to your favorite outdoor sanctuary. Sweeping views of mountains, pastures, and jungle stretching before you. Welcome to Cerro Grande—where Costa Rica land is a lifestyle. Build your custom estate on an exceptionally spacious lot designed for the life you've imagined. With on-site stables and equestrian facilities available*, these generous, mostly-flat parcels offer the rare combination of privacy, versatility, and room to breathe. Lot 12 is a large, easily buildable space with mountain views from the gently sloped north end. This lot is currently mostly fenced, mostly pasture with some trees. It is an agricultural lot that borders Lot 13, Lot 15 and Cerro Grande Estates' road.
