Property Description

Welcome to Mango Walk Lots 12 & 13, a rare opportunity to own a combined 871 m² homesite within the gated community of Punta Playa Vistas, located in the tranquil Pirate's Bay / Playa Minas area of Guanacaste. These adjacent lots offer expanded building flexibility, allowing for a larger custom residence, generous outdoor living spaces, a pool, or even a thoughtfully designed investment property. Surrounded by lush tropical forest, the setting is private, peaceful, and immersed in nature—yet just minutes from town conveniences and world-class beaches. Even better, water and electricity are already installed on site, making this property fully ready to build.
