Property Description

A Private Cloud Forest Sanctuary with Gulf Views | Monteverde, Costa Rica Set within the misty highlands of Monteverde, this exceptional 15-hectare (approx. 40-acre) finca offers an extraordinary opportunity to own a private reserve in one of Costa Rica's most celebrated ecological regions. From rolling green hills to sweeping views of the Gulf of Nicoya, the landscape unfolds in layers of forest, open pasture, and natural water features — creating a setting that feels both expansive and deeply serene. The Land This diverse property combines panoramic viewpoints with fertile valleys and mature forest. Multiple elevated building sites capture breathtaking vistas of the surrounding countryside and coastline, offering ideal locations for a primary residence, guest casitas, or a thoughtfully designed retreat compound. An existing off-grid home and additional outbuildings provide immediate functionality while allowing ample room for expansion or reimagining.
