Property Description

We're excited to share this beautifully updated ocean-view home located in the hills above Playa Hermosa, inside the gated community of Hermosa Heights. Villa Mango Hermosa Heights Villa 26, is a 3-bedroom, 3-bathroom villa offering approximately 170 m² (1,830 sq. ft.) of interior living space, complemented by a brand-new, expansive wooden deck that delivers sweeping ocean views and seamless indoor-outdoor living. Located just 0.75 miles from the beach, the home is ideally positioned for both privacy and convenience. Over the past four years, the owners have invested thoughtful care into modernizing the home while intentionally preserving its Costa Rican character. Vaulted teak ceilings, updated cabinetry and countertops, and abundant natural light create a warm and inviting main living area that flows directly onto the deck—making the ocean view part of everyday life. Thoughtful Two-Level Layout Upper Level: The upper level features the main living area, kitchen, and two bedrooms with two bathrooms, all naturally oriented toward the terrace and ocean view.
