Property Description

ALTOS DEL BOSQUE offers a stunning 6,003 M² HOMESITE perched high in the hills of Cuervito de Pavones, providing breathtaking views of the creek below and the majestic mountains stretching toward San Vito. This property features a NATURAL ELEVATED BUILDING SITE that captures cool tropical breezes and incredible sunsets, offering COMPLETE PRIVACY in a lush, rural setting. Currently used as open pasture, this lot is ideal for SUSTAINABLE BUILDING without the need to clear virgin jungle, providing ample space for a custom home, organic gardens, and fruit trees. Located only 5.5 KM FROM PILÓN BEACH, you are just minutes away from three renowned left point breaks: Main Point, Middles, and Leftovers. This location is perfect for those seeking the balance of peaceful mountain living and WORLD-CLASS SURF ACCESS. The surrounding region is one of Costa Rica's most biodiverse zones, where you will enjoy daily encounters with TOUCANS, SCARLET MACAWS, AND THREE SPECIES OF MONKEYS.
