Property Description

A river runs through it... This lot is a rare offering inside of Orotina. Flat with a finca to the right with plenty of trees, a river at the back end of the property, beautiful trees including a few avocado trees. Lot is serviced with electricity, water via an Asada and high speed fiber optic internet. With a few quite neighbors nearby to keep an eye on your property, privacy surrounding most of your lot, walking distance to the bus stop and town. Orotina might be growing but you will always have the privacy around your lot. This 6,261 m2 lot is residential only, you can build up to 800 m2. The municipality is very easy to deal with as well! Interested in financing options? Call us! Message us via Whatapp for a video of the back of the lot with the stream running through it.
