Property Description

From the moment you arrive at this boutique hotel, something inside you stirs. It may be the distant call of monkeys, the scent of sun-warmed gardens, or the rhythmic hush of the ocean meeting the jungle. Whatever it is, you feel it instantly, this is a place unlike any other. Set across 6.7 acres of tropical landscape, the property is located approximately 750 meters from a government-protected beach, just an 8-minute walk to Playa Buena Vista, ideally positioned between Sámara and Nosara. Originally built in 2009, the estate was designed to live in harmony with its surroundings, where nature defines the experience. At the heart of the property stands Haven, a striking 65-foot-tall circular Grand Casita featuring a full kitchen, four unique bedrooms, and an open second-floor loft that creates an immediate sense of awe. Winding garden paths lead to nine additional private casitas, each thoughtfully placed for privacy.
