Property Description

Welcome to Casa Colibri in Mar Vista, Playa Flamingo, a beautifully crafted tropical modern home designed for comfort, style, and effortless indoor-outdoor living. Set within one of the most desirable gated communities along Costa Rica's Gold Coast, this residence blends contemporary architecture with rich natural finishes, offering a serene retreat surrounded by forest views and vibrant wildlife. A Home Designed for Living Well Step inside and experience a thoughtful layout anchored by warm materials and clean, modern lines. Natural teak wood graces the ceilings, baseboards, and built-ins, while hand-plastered interior walls provide soft texture and durability. Elegant Quartzite and Travertine stonework flows throughout the home, creating a seamless connection with the surrounding landscape. The spacious kitchen is a true gathering space, complete with a generous bar area that opens naturally to the dining room and the expansive covered terraza.
