Property Description

Casa Segunda Vida is nestled in the hillside of the exclusive Vista Azul neighborhood of Manuel Antonio. This home offers TWO SEPARATE, FULLY CONTAINED FLOORS. Each floor is designed as one-bedroom suite, with a full kitchen, bathroom and spacious living room, which includes a futon. Each floor is designed to sleep 2 comfortably, with the possibility of 1 or 2 additional persons utilizing the futons in the living rooms. Each level has separate entrances and both levels are connected via an outside spiral staircase. All of the appliances are to American standards and the home has been decorated to give our guests a true feeling of Costa Rican living. And, because of the architecture and location of the home, you will enjoy cool breezes day and night! Casa Segunda Vida is about 20 meters from the main road. From there, heading to the right, it's about a 1/2 mile to two beautiful beaches Espadilla and Dulce Vida, as well as the incomparable Manuel Antonio National Park with its own gorgeous beaches.
