Property Description

Discover an extraordinary opportunity with Homesite 21-E, a prime lot nestled in the private gated community of Senderos. This is your canvas to build a dream home enveloped in nature overlooking the Pacific Ocean. From this elevated perch, you'll be treated to breathtaking, panoramic northwest views that stretch over Las Baulas National Park, the Tamarindo Estuary, lush valleys and sweeping mountains. Elevated above the land, with tranquil scenery and open vistas. Senderos offers the full package: - 24/7 gated security, ensuring peace of mind and privacy. - Access to a soon-to-be-completed private beach club, a signature amenity that enriches this community. - Only a two-minute drive to the heart of Tamarindo, giving you quick access to shops, dining, beach, and all the vibrant town life, while still living removed from the bustle of town. Imagine building your home here: an inspired setting where modern luxury meets tranquil vistas; mornings amidst forest, evenings beneath star-filled skies; the perfect balance of nature and convenience.
