This exclusive section of the community hosts luxury homes with mountain and ocean views, and has a private gate with security cameras for owners. The lot measures 78,061m² - 7.8 hectares or 19.29 acres. It has 2 natural pads to build 2 homes and the entrance slowly goes to the highest pad, while the second pad is just down below. Both have ocean and mountain views. In addition, there's a little rio (river) that cross the lot with clear water flowing year round. The lot cannot be segregated because there would not be another access, however more construction could be added in the lower part of the lot, with an access from the main entrance.
