- Size: 5867 Square metres
- 1.45 Acres

- Status: Available

Property Description

This beautiful home and property in Poás de Alajuela consists of almost 1.5 acres, where you can enjoy large and beautiful gardens. In addition, the house is located in the highest area of the property, where its views are spectacular; you can see the entire central valley and the mountains. The property consists of 2 houses: the main house and a house for the caretaker or a rental option. The main house has a large living and dining area, and its kitchen is to one side. The living room has a beautiful, cozy fireplace for cold nights, and it also has direct access to the large terrace. There is also an office and a half bathroom to one side. On its rear, there are 4 bedrooms; each with a bathroom and closet; The main bedroom has sliding glass doors with direct access to the terrace, a large walk-in closet; its bathroom is also very spacious with a tub and shower; even from this bathroom, you can enjoy the spectacular views of this house.
