Property Description

Casa Libert'Inn Estate is a Great Private Estate Located in the El Salto Residence in Manuel Antonio, one of the only Gated Communities in Manuel Antonio. Manuel Antonio is a thriving residential and touristic areas of Costa Rica, and this is one of the only large estate properties with over two and a half acres of land. This Manuel Antonio house is very unique in that it can be used as a Luxury Manuel Antonio Residence, Manuel Antonio Rental, or a combination of both. Currently the owners use Casas Libert'Inn six months out of the year and use the primary residence when they are in Costa Rica. The owners do not rent out the primary residence but they do rent out the other three units when they are either in Costa Rica or are abroad. There are three other separate rental units outside of the main large one bedroom residence. One of the three units has its own splash pool. A new owner of the home can rent it out as an entire residence, partially, or not rent it at all as it is a very nice large estate style property.
