Property Description

These two beautiful fincas (large parcels of land) are located on the Nicoya Peninsula, one of the five Blue Zones in the world; in other words, these lush 437 acres are located in one of only five regions worldwide that have been identified as having the healthiest, happiest, and longest-living populations. Together, the properties span over 177 hectares (437 acres): One property extends 91 hectares and the other is 87 hectares. The fincas will be sold together. What You'll Love: Endless Opportunity: Due to the fincas' convenience, tourism appeal, and Blue Zone location, you'll have endless opportunities for your investment. Abundant Water: With two wells, two natural springs, public Asada water, and a small seasonal river, you'll enjoy plenty of water on the property. Ideal Location: Located just far enough away to feel like a total escape, and yet only 10 minutes to Nicoya and an
