Property Description

Nestled at an elevation of 3,400 feet above sea level, this stunning estate offers a unique combination of natural beauty, modern amenities, and eco-friendly living. With low electricity bills thanks to solar panels and a design that eliminates the need for heating or air conditioning, the home provides a comfortable and sustainable lifestyle. The 10-acre estate features a thriving coffee farm surrounded by valuable "Cedro" trees and a diverse selection of fruit trees, including bananas, plantains, oranges, lemons, mandarinas, grapefruit, mangoes, mangosteen, mamones, guanabana, papaya, Surinam cherry, large vanilla bean trees, and avocados. A well-maintained vegetable garden adds to the lush landscape, offering fresh produce right at your doorstep. The property's expansive wrought-iron fenced backyard patio offers breathtaking views of the surrounding mountains and valley. A beautiful salt-water lap pool, which is solar-heated and equipped with night-time colored lighting, serves as the highlight of the outdoor space.
