Property Description

Get ready to fall in love with this ocean view mind blowing home! Located in Playa Grande, a hidden gem along the Gold Coast of Guanacaste, renowned for its pristine beaches, world-class surfing, and relaxed atmosphere. As part of the Marino Las Baulas National Park, it is home to protected wildlife and untouched landscapes, offering a rare blend of luxury and environmental conservation. Nestled within this paradise is Las Ventanas de Playa Grande—an top ranked gated community spanning 380 acres, thoughtfully designed to embrace upscale living while preserving the natural ecosystem. Residents enjoy private hiking trails, a clubhouse, sports facilities, and sweeping ocean views, making it one of the region's most coveted luxury enclaves. Set within this exclusive community, this spectacular modern home offers an unparalleled ocean view, framed by protected green landscapes. Perched above a natural reserve, the property ensures complete privacy and unobstructed views, guaranteeing that the only scenery homeowners will ever enjoy is the endless beauty of the ocean and the surrounding lush nature.
