Property Description

Flat land with easy access and stunning natural views Description Located in one of the most beautiful and sought-after rural areas of Atenas, Alajuela, this farm for sale spans 52,259 m² (5.23 hectares) and represents a unique opportunity for those looking to invest in fertile land with excellent topography and convenient access. The property offers direct access from a public road, is fully fenced, and sits in a mild climate zone, surrounded by lush greenery and panoramic mountain views. The terrain is mostly flat with gentle slopes, making it ideal for agricultural, livestock, eco-tourism projects, or the development of a family estate, residential retreat, or private sanctuary. There is a small rustic house on-site, perfect for staff use or future remodeling. Currently, the land is used for grazing, showing its potential as a productive or recreational property. The open views of the valley and surrounding mountains, along with the peaceful environment, make this farm a true natural retreat, just minutes from downtown Atenas.
