Property Description

This affordable home features 3 bedrooms and 1 bathroom. Located in La Palma, a small town on the outskirts of San Isidro, this charming property is a great entry point into the Perez Zeledon Costa Rica real estate market. The house, solidly constructed with concrete block, features tile floors and a metal roof. Custom made hardwood doors are throughout, and beautiful hardwood cladding on the walls. An open patio on the back of the house is within earshot of a year round creek. A great place to put up a hammock and relax. There is also an enclosed patio with a washer and dryer, a laundry sink and a storage bodega to store yard implements. An open carport is attached to the house to keep your car out of the rain, next to a nice greenhouse with raised beds for growing herbs or whatever you care to grow. This home is a 2 minute walk to a large and beautiful river, full of swimming holes and large rocks to relax on.
