Property Description

English Summary Hacienda Los Reyes has become a top choice for families seeking authenticity, security, and exclusivity within Costa Rica's real estate market, without the pretension of communities in Escazú or Santa Ana. Designed with a rural, country-club feel, it offers wide streets, green space, a polo field, tennis courts, a pool, and a 9-hole golf course, plus nearby conveniences like AutoMercado, pharmacies, restaurants, and the new bilingual GSD International School. This custom-built contemporary home, completed in January 2021, sits in the Las Vueltas sub-community, backing onto a protected green zone for lasting privacy. US owners spared no expense in design and craftsmanship. Kitchen & Living: An open kitchen anchors the home with a large island, imported Spanish cabinetry (BLUM hardware), Laminam counters and backsplash, built-in phone chargers, two KitchenAid dishwashers, a 36" induction cooktop, Frigidaire twin fridge/freezer, and a filtered water faucet.
