Property Description

Located in Corona del Cabo, between Matapalo and Playa Grande, this 5,014 m² lot is a great opportunity to build in one of the fastest growing areas along Guanacaste's Pacific coast within the Costa Rica luxury investment market. It really offers the best of both worlds the peaceful, authentic feel of Matapalo, along with easy access to Playa Grande, known for its wide beaches, relaxed atmosphere, and strong connection to surfing and nature. Corona del Cabo is known for its spacious properties, privacy, and lush tropical surroundings. Nature is part of everyday life here, with mature trees, green landscapes, and frequent visits from monkeys and birds that give the area a calm and special vibe. With over 5,000 square meters to work with, there's plenty of room to create something tailored to your vision. It's ideal for building a private home with a garden, pool, and outdoor living spaces, all while maintaining privacy and staying connected to the natural setting.
