Property Description

This charming property has over a quarter acre of land, 1200 m2, allowing for lots of space to grow fruit trees. The land is pretty flat and usable if you like to garden it is perfect for this. On the property there is a small house that is well finished with details such as vaulted ceilings, AC units, a screened in porch, lovely wood trim and ceiling that is typical of Costa Rican build. The house has two bedrooms, one bathroom, an open kitchen and living area and a very cute loft, perfect for an extra sleeping area. The bathroom is nicely tiled, the kitchen is the typical Costa Rican style with cement and tile, and there is even a small island perfect for food prep. The front porch area is screened in and bug proof, making it a comfortable place to relax and enjoy the fresh air outside. To one side of the house there is a small guest house with a bedroom with AC, a bathroom and a storage area.
