Property Description

This brand-new single-level villa in Uvita, Bahía Ballena. One of Costa Rica's most breathtaking coastal gems, where world-class beaches, lush jungle, and the legendary pura vida lifestyle are literally at your doorstep. Built in 2024 with zero compromises, this is tropical living at its absolute finest. Stunning design that turns heads From the moment you arrive, the modern tropical architecture stops you in your tracks. Clean bold lines, soaring ceilings, and seamless indoor-outdoor living spaces create an atmosphere that feels like a luxury resort , except it's all yours. Every inch of this 4,478 sqft masterpiece has been finished to the highest standard, with nothing left to do but move in and enjoy. Four bedrooms, four bathrooms, zero stress Spread across a generous 0.46-acre lot, the villa's smart single-level layout means ultimate comfort and accessibility for everyone. Four beautifully appointed bedrooms, four full bathrooms, and expansive living areas give you all the space you need.
