Property Description

Welcome to Villa Shanti, a hidden tropical retreat designed to reconnect you with nature, peace, and effortless living in Costa Rica, all just 5 minutes from the beach and the vibrant town center of Sámara. This gated property, set on approximately 8,005 square meters (1.98 acres) of lush landscaped grounds, feels like your own private botanical sanctuary. Every corner of the estate was intentionally designed to immerse you in the beauty of the natural surroundings, with vibrant native plants, flowering gardens, and an automated irrigation system that keeps the landscape thriving year-round. Villa Shanti is home to an extraordinary private food forest, with over 100 varieties of exotic fruits growing throughout the property. From familiar tropical favorites like mangoes, pineapples, coconuts, bananas, and papayas to rare and unique species not commonly found in Costa Rica such as miracle fruit, cinnamon, jackfruit, and many other edible and medicinal plants, the property offers a truly immersive farm-to-table lifestyle experience unlike anything else in the area.
