Property Description

A private paradise in the mountains of southern Costa Rica — where modern architecture meets untouched nature, fresh mountain air, and a lifestyle in harmony with the environment. This exceptional 8-hectare finca offers a rare combination of privacy, comfort, self-sustainability, and future potential. Surrounded by lush greenery, rivers, waterfalls, and breathtaking landscapes, Casa Soléa is more than a home — it is a retreat, an investment, and a vision for a different way of living. The modern home features: * 3 spacious bedrooms * 3 bathrooms * large open living spaces * a separate laundry room * expansive terrace and balcony areas * a beautiful saltwater pool * high-speed fiber optic internet up to 500 Mbps * air conditioning available, although the naturally cool climate rarely requires it The approximately 4,000 m² fenced garden around the house is perfect for dogs, families, and outdoor living.
