Property Description

Positioned on the sought-after North Ridge of Playa Flamingo, Casa Lot Four is a three-level residence designed to capture expansive Pacific Ocean views from every vantage point. Set on a 927 m² lot, the home offers approximately 4,500 square feet of well-planned living space, balancing functionality with a strong connection to its coastal surroundings. The layout features five bedrooms and five and a half bathrooms, with each level oriented to maximize natural light, cross-breezes, and uninterrupted ocean views. The open-concept main living area flows seamlessly to outdoor terraces, creating a natural extension of the interior for everyday living or hosting. A standout feature is the rooftop level, designed as an entertaining space with a bar and panoramic outlook—ideal for sunset gatherings and year-round enjoyment of the coastline. Located within walking distance to the Flamingo Marina, the property benefits from proximity to dining, boating, and community amenities, while maintaining a sense of privacy and elevation above the bay.
