Property Description

Nestled in the peaceful countryside community of Río Santo in Hernández, this expansive 2,179.81 m² corner lot offers a rare blend of space, privacy, and convenience. Whether you're looking to build a single-family home or an Airbnb project, this location is ideal. Just minutes from the vibrant town of Villareal, the surf paradise of Playa Avellanas, and the lively beach town of Tamarindo, it's perfect for those seeking a tranquil lifestyle with easy access to amenities, schools, and world-class beaches. Set on a generous 2,179.81 m² corner lot, this property offers the perfect canvas for a private estate, family compound, or rental villa project. Located in a peaceful rural setting, it provides the tranquility of nature while remaining close to key hubs and popular beaches. With convenient access to paved roads, as well as water and electricity, development is straightforward and efficient.
