Property Description

Positioned in one of the most desirable areas of Playa Flamingo, right beside Dunama Hotel, this exceptional 2,283 m² lot offers a rare opportunity to build in a premier coastal location just steps from the beach and marina. Located beside the boutique Dunama Hotel in the peaceful Northridge area, the property combines privacy, convenience, and breathtaking scenery. Set on an elevated site, the lot enjoys spectacular 360 degree ocean views, capturing sweeping panoramas of the Pacific and the surrounding coastline. The generous size and topography provide excellent potential for designing a luxury private residence, vacation retreat, or investment property that fully embraces the stunning natural surroundings. From the property, you can easily walk to the golden sands of Playa Flamingo and the world class Flamingo Marina, where boating, dining, and vibrant coastal living come together. The location places you in the heart of one of Guanacaste's most sought after beach communities while still offering a quiet hillside setting.
