Property Description

Welcome to the "beach cabin" lifestyle. This isn't just a property; it's a strategic investment and a tropical retreat rolled into one, located in the heart of the sought-after Bahia neighborhood near Uvita Costa Rica. Whether you are looking for a primary residence with an income-generating guest house or a high-yield "double" vacation rental, this turnkey estate delivers the ultimate Costa Rican dream. Quiet, safe, and surrounded by lush tropical gardens, yet minutes away from Uvita's best cafes, supermarkets, and tour departures. Rustic Charm Meets Modern Comfort. Looking for a plain-Jane modern white box? Well this is NOT it, this home has character and charm missing from many local rentals. That means if you rent it out, your guests will get a truly unique tropical experience, not a boring house they could find anywhere. It includes two beautifully crafted pine cabins sitting on 500 m2 (over 5000 sf) of meticulously landscaped grounds, offering a total of 4 bedrooms and 3 bathrooms in a flexible rental configuration.
