Property Description

One of the most compelling luxury ownership opportunities on Costa Rica's Gold Coast, Casa Sombaile combines architectural distinction, panoramic Pacific Ocean views, exceptional privacy, and an established income-producing operation already performing at a high level. This five-bedroom, five-and-a-half-bathroom residence was designed around light, horizon, and effortless indoor-outdoor living. Nearly every principal space captures ocean views, from the expansive great room and entertaining areas to the private suites and terraces. Floor-to-ceiling glass, soaring ceilings, and carefully considered sightlines create a constant connection to the Pacific while maintaining a warm and welcoming atmosphere throughout the home. Architecturally, Casa Sombaile is a residence of remarkable character. Rich wood ceilings, textured stone, custom details, curated lighting, and a sophisticated palette of natural materials create an environment that feels both timeless and highly personal.
