Property Description

Discover Palmera del Trópico Phase 9, a beautiful 1,406 m² (0.35-acre) residential lot for sale in Ojochal, Costa Rica, located within a peaceful gated community in the heart of one of the Southern Pacific region's most desirable destinations. Surrounded by lush rainforest, tropical wildlife, and scenic mountain landscapes, this build-ready homesite offers the perfect opportunity to create a private residence, vacation retreat, or investment property in the thriving Costa Ballena real estate market. The property features gently rolling terrain and a serene natural setting while providing immediate access to essential infrastructure, including water, electricity, high-speed internet, and well-maintained road access. Whether you are planning to build now or secure land for the future, the lot is ready for development and offers a seamless transition from vision to reality. Palmera del Trópico is known for its welcoming atmosphere, transparent community management, and long-term stability, making it an attractive option for retirees, families, digital nomads, and investors alike.
