Property Description

Located in the prestigious Condominio Altabrisa, this newly built 2024 home is designed to offer the highest level of comfort, security, and modern living. With 170 m² of construction, a structural roof, and solid block construction, this property stands out for its contemporary design, high-end finishes, and well-thought-out spaces. Every detail has been carefully selected to create a cozy, functional, and efficient home, featuring LED lighting throughout, hot water in every faucet, and a layout that maximizes comfort in every corner. Spaces That Combine Elegance and Functionality As you step inside, you are welcomed by a bright and spacious social area where the living room, dining area, and kitchen blend seamlessly. The kitchen is a dream for those who love both design and functionality, equipped with quartz countertops and moisture-resistant melamine cabinetry, ensuring durability and elegance.
