It is perfect for both living and investing, as it is 5 minutes from the new Industrial Park and just 10 minutes from downtown Grecia. It combines convenience and a classic design with small touches of modern style. From the first glance, you will appreciate the facade with stone details, including a circular tower covered in decorative stone and a reflecting pool at the base of the tower, which give it character and distinction. Upon entering, a spectacular hall welcomes you with a vaulted ceiling with a golden design, accompanied by a hanging lamp and natural lighting that passes through the high windows.
