Property Description

Discover a unique residential concept at the Green City boutique condominium, a development designed in perfect harmony with nature, creating exclusive homes surrounded by lush greenery. On corner Lot 42, a prime 933.49 m2 property with an impressive 55-meter frontage, Casa Luna will be built. This residence stands out for its modern tropical architecture, meticulously designed to offer abundant natural light and cross-ventilation. In addition to being steps from the pumptrack and private trails, it is a short distance from Country Day School, the most prestigious bilingual school in Costa Rica, offering scheduled delivery 14 months after purchase. The impressive design of Casa Luna features 395 m2 of intelligently distributed construction. The first level welcomes you with integrated, open-concept social areas with direct access to the terrace, a spacious kitchen, and a private office ideal for remote work.
