ID: CR26008274M

📍 Upala, Alajuela

- Property Type: Single Family Homes
- Bedrooms: 3
- Size: 20000 Square metres

- Status: Available

Property Description

Discover a unique luxury property in Bijagua de Upala, located just 10 minutes from the town center and offering breathtaking, unobstructed views and peaceful natural surroundings at the base of Volcán Tenorio. Situated on 2 hectares (approximately 5 acres) of usable land, this newly built residence combines privacy, open space, and American-standard construction in one of Costa Rica's most beautiful mountain regions. An opportunity to own a private mountain estate with volcano views, American-standard construction, and expansive usable land in the Tenorio region. The property features public road access, ensuring convenience while maintaining a peaceful and secure setting. Built to American construction standards with customizable finishes, the current price includes a \$40,000 finishing allowance for kitchen cabinetry, interior doors, granite countertops, and appliances, allowing the buyer to select finishes according to their personal taste.
