ID: CR26010482M

📍 El General, San Jose

- Property Type: Single Family Homes
- Bedrooms: 3
- Size: 10000 Square metres

- Status: Available

Property Description

This beautiful 1-hectare (10,000 m²) property in Santa Elena offers a unique combination of privacy, natural beauty, and development potential. Surrounded by lush greenery and breathtaking valley views, the property features four spacious terraces/building platforms, providing ample space for additional homes, guest houses, rental units, gardens, or other projects. The property also enjoys direct river access, creating a peaceful natural setting and a perfect place to relax and connect with nature. Electricity and water are already connected, high-speed internet is available, and the entire property is fenced, making it ready for immediate use and future development. The home currently under construction has been thoughtfully designed for comfortable modern living. Please note that the images shown are architectural renderings intended to illustrate the finished appearance of the residence upon completion.
