Property Description

Beautiful farm for sale in Zarcero, Alajuela, featuring approximately 4 hectares (40,000 m²) of land in one of the region's most desirable areas. This property offers an excellent opportunity for investment, agricultural production, livestock activities, or future development projects surrounded by nature and tranquility. The land is fertile and productive, with active cultivation areas, mixed topography combining flat and gently rolling sections, paved access, water and electricity availability, expansive green areas, and breathtaking panoramic mountain views. Zarcero's year-round cool climate and renowned fertile soils provide ideal conditions for a wide variety of agricultural and residential uses. Its strategic location, privacy, and strong appreciation potential make this property an outstanding choice for those seeking a valuable investment with exceptional natural beauty and productive capacity.
