Property Description

Perched above Playas del Coco, Casa Perla is a 3-bedroom, 3-bathroom ocean-view home located within Okeanos, an intimate gated community of only seven homes with 24/7 security. It's easy to see why owners and guests spend so much time outdoors. From any of the three terraces, including a rooftop deck, and beautiful private pool area, you will be treated to panoramic views of the Pacific Ocean, Playas del Coco, the surrounding hills, and beyond. Casa Perla is the kind of home where mornings often begin on one of the three terraces with a cup of coffee, afternoons are spent by the pool, and sunsets are best enjoyed from the covered rooftop deck. The home's curved terraces and Mediterranean-inspired architecture create inviting spaces to gather with family and friends while enjoying the ocean breeze and ever-changing scenery. The main level offers comfortable living and dining areas, a modern functional kitchen, and spacious bedroom with a full bathroom.
