Property Description

Bambura Villas is an extraordinary eco-lodge sanctuary nestled in the vibrant hills of Hermosa, just moments from Uvita. Synthesizing sustainable architecture with Costa Rica's raw natural beauty, this turnkey estate offers a reliable investment opportunity in one of the Southern Zone's most coveted coastal enclaves. Built between 2019 and 2022, the estate has organically expanded from one to four villas. The structures were entirely crafted from premium, sustainable bamboo by the renowned regional artisans at Bamboo Tico. Inside, the villas feature striking Nazareno wood floors that infuse organic warmth into the contemporary tropical design. Every space is oriented to capture dramatic canyon views and the soothing symphony of local birdlife. The Accommodations The property comprises four private, fully equipped villas designed to offer a simple and serene retreat experience. Perfect for short-term vacation rentals or long-term digital nomads, the accommodations include: • Villa 1: 2 bedrooms, 1 bathroom • Villa 2: Studio-style 1 bedroom, 1 bathroom • Villa 3: 2 bedrooms, 1 bathroom • Villa 4: Studio, 1 bathroom Each villa features: • Modern Comforts: Full air conditioning and reliable high-speed fiber-optic internet.
