- Property Type: Land
- Size: 2000 Square metres

- Status: Available

Property Description

Prime Commercial & Mixed-Use Development Land Near Liberia International Airport Flexible acquisition from 2 to 15 hectares (20,000-150,000 m²) Price: USD \$150 per m² This premium development property is located only minutes from Liberia International Airport (LIR), the gateway to Guanacaste and one of Costa Rica's fastest-growing economic and tourism regions. Buyers may purchase between 2 and 15 hectares, allowing maximum flexibility for projects of different sizes. The property is positioned on the well-known Golden Road, an established development corridor with reliable water and electricity infrastructure and zoning suitable for commercial, residential, industrial and mixed-use projects. The land is flat, development-ready and offers excellent visibility along one of Guanacaste's busiest commercial corridors with approximately 25,000 to 30,000 vehicles passing daily (owner's traffic count).
