Property Description

A Coldwell Banker Dominical Costa Rica beach listings located in Uvita along the central pacific coast line. Known for its amazing jungles and beaches this newly built home is perfect for the turn key beach going individual. Amenities abound three bedrooms, grass yard bordering a river, two bathrooms, dinning room, and outside sitting area. The outdoor ambiance is a personal jungle feeling with lush landscaping. The home is a perfect fit for a second home buyer in Costa Rica looking for easy access to stores and beaches. The 1200-square-foot house has a view of the picturesque Uvita River. It is a traditional Costa Rican style home with lovely modern finishes. The kitchen has stainless steel appliances, granite countertops, and plenty of work space for preparing meals with family and friends. The living room is comfortable and inviting, although you'll probably spend a lot of time on the patio outside, sipping your delicious morning coffee or enjoying an afternoon siesta in the hammock!
