Property Description

This house for sale in San Ramón, Alajuela, offers an excellent opportunity for buyers looking for a modern, functional, single-story home in a quiet residential area in the western region of Costa Rica's Central Valley. The property features approximately 160 m² of construction and is located within a small residential community of only 3 homes, providing a more private, peaceful, and family-friendly environment. Its layout integrates the living room, dining area, and kitchen in an open-concept design, creating a spacious, comfortable, and well-lit social area. The kitchen features modern light-colored cabinetry, elegant countertops, stainless steel appliances, an extractor hood, good storage capacity, and a practical layout for daily use. The home offers 2 bedrooms and 2.5 bathrooms, making it a comfortable option for a couple, small family, retiree, or international buyer looking for a low-maintenance home in San Ramón.
