Property Description

Just a block from the pristine shores of Playa Junquillal, Villas Las Ventanas (VLV) offers an exceptional opportunity to own property in one of Guanacaste's most peaceful and authentic coastal communities. Nestled within a secure, gated enclave, this meticulously maintained development combines quality construction, beautiful amenities, a welcoming neighborhood atmosphere, and an outstanding location just steps from a secluded tropical beach. The property is conveniently located near the community of Paradiso and has easy access to many of Costa Rica's most popular destinations. The vibrant beach town of Playa Tamarindo is only a 30-minute drive away. Despite its accessibility, Playa Junquillal has remained largely untouched by large-scale development, preserving its tranquil charm and natural beauty. Boutique hotels and small local businesses complement the area's relaxed lifestyle, and it is not uncommon to enjoy long stretches of beach in complete solitude.
