Property Description

Located in the heart of Las Catalinas, just a three-minute walk from Playa Danta, 16 Avenida La Antigua is a recently renovated, turn-key residence that blends timeless architecture with contemporary updates in one of Costa Rica's most distinctive beach communities. The home has been thoughtfully renovated, including a completely redesigned kitchen with modern finishes and an open-concept layout that connects the kitchen, dining area, and living room. The space feels open, functional, and well suited for both everyday living and entertaining. Doors open onto a private terrace, complete with its own plunge pool. It creates a natural extension of the living space and offers a comfortable place to relax after a morning at the beach or an afternoon exploring the trails around Las Catalinas. The residence features two ensuite bedrooms connected by a flexible sitting area that can be used as a reading room, home office, media space, or additional sleeping area for guests.
