Property Description

Spacious 4-bedroom penthouse in Los Yoses, one of the most prestigious neighborhoods in San Jose. The entire building is very secure, with a 24-hour guard and two enclosed parking spaces. The bottom floor has a big living room that overlooks a park, and a separate smaller TV room. Both of these spaces face west, featuring daily views of mountains and sunsets. Also downstairs is a large bedroom with its own bathroom, and another smaller bedroom for employees, that has its own bathroom. A large kitchen completes the first floor. The second floor features another space that can be used for an office, or another TV/play space for kids and also has a view of the park, mountains, and sunsets. Also upstairs is a massive master bedroom, with walk-in closet, and huge bathroom with enough space for a shower, tub, and sauna. The master room also enjoys the same mountain, park, and sunset views. Also upstairs is another bedroom with its own bathroom.
